

Chef's Planet Cit-Trease Peeler

Chef's Planet makes life in the Kitchen easier. It also offers a variety of other innovative, problem-solving kitchenware. Based on their philosophy that one can balance cooking with a busy life, they are constantly thinking of new ways to make cooking simpler and more enjoyable!

This tool makes it easy to remove citrus from the peel so you can enjoy fresh fruit cut up in a bowl and/or use the peel as a serving dish for sorbets or puddings. Simply score the citrus in a complete rotation by placing the blade teeth at the edge of the peel. Continue rotating the citrus and move the Cit-Trease handle in a perpendicular position to the face of the fruit until it pulls away from the peel. Getting juiced has never been so easy and healthy!

Tips

The pith of any citrus fruit is the most bitter part. You don't want any piece of it and with this Cit-Trease peeler, you can kiss all those pithy parts away!! Chef's Planet, goal in life as a company, is to make your life in the kitchen easy and fun!! They are constantly thinking of new ways to make cooking simpler and more enjoyable!

This clever tool makes it easy to remove citrus from the peel so you can enjoy fresh fruit cut up in a bowl or throw the whole peeled half in a juicer for your smoothie. Simply cut your citrus fruit in half and score the citrus in a complete rotation by placing the blade teeth at the edge of the peel. Continue rotating the citrus and move the Cit-Trease handle in a perpendicular position to the face of the fruit until it pulls away from the peel. Voilà!
